Survey Questions

Is the password easy to remember? (1 being very, 5 not at all)

Is the password versatile? (1 being very, 5 not at all)

Is the password scheme easy to use? (1 being very, 5 not at all)

Are the vibrations easy to tell apart? (1 being very, 5 not at all)

Are the vibrations easy to remember? (1 being very, 5 not at all)

Does having sound on help to remember the sequence? (1 being very, 5 not at all)

Would you trust your information to be secure with this password scheme? (1 being very, 5 not at all)

Is it easy to remember passwords for different accounts? (1 being very, 5 not at all)

Is it easy to differentiate between passwords? (1 being very, 5 not at all)

Does having a repeat option help to remember the password? (1 being very, 5 not at all)

Does the repeat button help you to succeed within 3 attempts? (1 being very, 5 not at all)

Is the password entry timeframe too long? (1 being very, 5 not at all)

Is the password scheme complex enough? (1 being very, 5 not at all)

Is the password scheme user friendly? (1 being very, 5 not at all)

Are you satisfied with this password scheme? (1 being very, 5 not at all)

3

Are you satisfied with this password scheme? (1 being very, 5 not at all)
4

Any comments and feedback:
I like the idea and would love to see it implemented how you suggested: with user-entered passwords.
